WARRANT FOR TOWN MEETING
STATE OF NEW HAMPSHIRE

WRAFTON S.S.

TOWN OF ENFIELD

S.S.

To the inhabitants of the Town of Enfield qualified to vote in Town affairs.

You are hereby notified to meet in the Enfield Elementary School in said Town of Enfield on the twelfth day of March next at ten o'clock in the forenoon, to act upon the following subjects:

Polls will open at ten A.M. and will not be closed before eight-thirty P.M. Articles in Warrant will be taken up beginning at seven P.M.

ARTICLE 1. To choose by ballot to serve for three years, one Selectman, one Library Trustee, one Trustee of Trust Funds, one Fire Ward and one member of the Recreation Commission; to serve for two years one Auditor; to serve for one year, one Town Clerk, one Treasurer, one Tax Collector, one Overseer of Public Welfare, one Highway Agent, one Cemetery Agent, and such other town officers as are required by law to be chosen for the ensuing year.

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, the sums so borrowed to be repaid before the end of the fiscal year in which the debt was incurred.

ARTICLE 3. To see if the Town will vote to authorize the Selectmen to sell or lease any or all such parcels of real estate acquired by the Town through Tax Collectors deeds for non-payment of taxes, or any or all parcels not in public use; and to authorize the Board of Selectmen to execute and deliver, in the name of the town, suitable deeds or leases of such real estate,

subject to such conditions or restrictions as may be voted by the Meeting.

ARTICLE 4. To see if the Town will vote that, if the purposes or objects, hereinafter designated, for which appropriations for the year 1968 may have been made, have not been fully accomplished during the fiscal year, the funds so appropriated or unexpended on the unfinished portion of such object, shall be placed in a Capital Reserve Fund, dedicated to the purpose or object of its conception, until such time as the Board of Selectmen acting as Agents of the Town, shall have the opportunity or occasion for the fulfilling or completion of the purpose or objects for which said appropriation was created.

The specially designated purposes are as follows: that net earnings of town owned equipment derived from highway appropriations, also Police Cruiser and Civil Defense appropriations, if any; also any unexpended balance of Overpass Walkway if project is not completed during the fiscal year.

ARTICLE 5. To see if the Town will vote to raise the sum of \$1,201.61 for Town Road Aid, and to receive the sum of \$8,010.76 from the State.

ARTICLE 6. To see if the Town will vote to adopt the Budget and raise and appropriate the various sums recommended and posted by the Budget Committee, or act thereon.

ARTICLE 7. To see if the Town will vote to instruct the Board of Selectmen to have printed upon the Town's non-partisan ballot for the 1969 Town meeting, with appropriate boxes for a "Yes" and "No" vote, the following question:--"Shall the Selectmen be instructed to call the 1970 March Town Meeting and future Town Meetings so that the polls will be open at ten-thirty in the morning and closed not earlier than eight-thirty in the evening

the business meeting to start at one-thirty in the afternoon."

ARTICLE 8. To see if the Town will vote to authorize the Board of Selectmen to acquire the Guerin property, so called, situated at the corner of Main and South Streets and remove building for the purpose of clearing the corner, at a cost not to exceed \$1,600.00.

The State Highway Department's proposal for the improvement between the two points mentioned involves a total estimated cost of \$120,000.00. The Town's share of the total cost would be \$60,000.00 to be spread over a possible twelve year period, at the end of which time the State would take over all maintenance between Route 4 and Route 4A.

ARTICLE 10. As requested by the Enfield Planning Board.

To see if the Town will vote to instruct the Enfield Board of Selectmen to issue and enforce the following Building Permit Ordinance for the Town of Enfield, or act thereon.

ENFIELD PUBLIC LIBRARY
1967

Approximately 375 books have been added by purchase and 75 by gift during the past year, an increase of 70% over what our appropriation for 1966 permitted us to buy. The circulation of books increased by 100 and some 580 names are in our active file of borrowers. 1212 books were also borrowed from the State Bookmobile as well as books from the State Library on special subjects.

The Library has been open 24 hours each week with the following schedule:

Monday, Tuesday, Thursday and Saturday:
2 P.M. to 8 P.M.

A new National Geographic globe has been purchased and plans for a special return book box are being completed so that books may be returned safely at hours when the Library is not open. Our need for MORE SPACE grows more acute each year and we hope that a new municipal building with adequate quarters for the library will be available in the not too distant future.

Again as members of the State cooperative program we received \$100. worth of new reference books and will be eligible for the same in 1968.

So many people have aided the Library this year either with gifts of books, furnishing refreshments and other help when the Library has held "open house" as well as assistance with story hours and movie programs, that it is impossible to name them all in this report but the Trustees and staff wish to express their sincere gratitude for the many services rendered and interest shown. A special word of thanks is due Mrs.

Germaine Schmanska and Mrs. Marjorie Carr for help in regularly selecting books from the Bookmobile and Mr. John Dunn for help with the movie program. Mrs. Agnes Sloane, Assistant Librarian, has done an outstanding job in encouraging greater use of the library, in promoting children's reading contests, in general oversight of story hours and movie programs, and cooperating with our schools wherever possible.

The Trustees have voted to join with other Town departments in having their annual income and disbursements of library funds handled in the Selectmen's office. They are also in the process of preparing a written Policy statement which will cover general objectives of the Library and matters of personnel, book selection, gifts, public relations, etc. and will be submitted to the State for approval in 1968.

Respectfully submitted,

Nellie L. Pierce,
Librarian

REPORT OF THE ENFIELD RECREATION COMMISSION

Following Town Meeting last March after our appropriation was increased from \$200 to \$2,500, the members of the Commission held several meetings to formulate plans for a spring and summer program. We had a lengthy evening meeting with Mr. Richard Tapply, State Recreation Director, who was kind enough to come to Enfield from Concord. He placed our names on his mailing list, gave us many pamphlets on summer programs, and all in all was very helpful. We hired Mr. Richard Moulton, mathematics teacher at Mascoma Regional, to run a Saturday program at the Enfield school during April. This program was very well received with an over-all attendance of 70 children.

The Commission met with Mr. Moulton in May and we hired him and his wife to run our summer program. In connection with our summer program, Dartmouth College donated much needed equipment such as baseball bats, baseballs, basketballs, footballs, ping-pong equipment, etc. A VISTA volunteer worked with Mr. Moulton in the afternoon concentrating mainly on the beginner's swimming program which enrolled over 60 children. We believe the summer program of 8 weeks beginning July 5 was an overwhelming success. We had a total enrollment of over 130 children and an average daily attendance of 70-75. During the 8 weeks the children had two field trips to a State Park. A Junior Olympic Day was held at the end of the program. Children competed in different categories for 1st, 2nd and 3rd place ribbons; a family picnic was also held that day.

We would like to thank the Mascoma Regional School Board for their cooperation in letting us

use the Enfield school facilities during April and the summer months.

Besides the childrens' programs the Commission also obtained the services of a local man to oversee the Town beach on Mascoma Lake. He did a very competent job, keeping the picnic area cleaned up and regulating parking of cars. The Commission purchased and installed the "Welcome to Enfield" signs which are on Route 4.

With the approval of the 1968 proposed appropriation, we hope to run similar programs this year.

PLANNING BOARD REPORT

The Enfield Planning Board had three resignations this year as follows: Roger Warren, Chairman, Frederick Saunders, and Richard Battis. New members appointed were Forrest Aldrich, Frank Avalone Jr., and George O. Bailey. Mr. Charles Tupper is the representative for the Selectmen.

Frank Avalone Jr. was elected Chairman of the Board at the Nov. 7, 1967 meeting to serve for the remainder of his term of office.

Replacing members held down the number of meetings held by the board. We did, however, finalize the Building Code Ordinance and discussed many aspects of town improvement for the future. Regular meetings have been held by the board since November.

Respectfully submitted,

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.

It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A.M. and 5:00 P.M. and then only with a written permit from the Forest Fire Warden.
2. Take debris and waste to the town dump.
3. Maintain a clean, safe dump.
4. Keep matches away from young children.
5. Be sure matches and smoking material are dead out when we discard them.
6. Set a good example for others in fire prevention.

REPORT OF THE LEBANON REGIONAL AIRPORT AUTHORITY

The Lebanon Regional Airport Authority is pleased to present its report for the year 1967, its eighth full year of operation of the airport. During this past year we have continued our efforts to improve the facilities and operations of the airport so that safe and efficient service will be available to the residents and business firms in the region. It is toward this end that we have used to the best of our abilities, the funds contributed by the cities, towns, industries, and institutions of the region.

The Authority again wishes to emphasize the growth of activity at the airport, and the importance of this transportation facility to the regions economy and daily life. Each city and town in the region has a trunkline airport at its complete disposal in return for its own contribution. During the eight years that the Lebanon Regional Airport has been under the management of the Authority, there has been a steady growth pattern of both traffic and financial support from the region. This support, so essential to the continued operation of the airport, is sincerely appreciated. More specifically, we are pleased to report that more service was added in 1967 to supplement the schedule offered by Northeast Airlines. Two airlines started operation from Lebanon Regional Airport, Executive Airlines and Trans East Airlines. Executive Airlines offers a more diversified schedule to Boston, and Trans East gives the area a connecting link from Portland, Maine to Albany, New York. More and better service was the byword of the authority and the addition of the service noted above made this a reality.

The Authority voted to employ a full time airport manager with the appointment of Mr. George Cricenti in February, an office was established at the airport to enable him to keep in close touch with the daily problems. Many of the conditions necessary to offer better service

and facilities for the public were developed. Some of the improvements were additional parking space for aircraft, additional parking space for automobiles, and with safety in mind, a new fence installed to keep spectators from getting too close to moving aircraft.

The aviation industry is projected to triple in the next ten years. This means that all airports will be doing more business. Lebanon Regional Airport reports an increase in the number of passengers originating here, and also in the amount of cargo, including mail, shipped by air. The number of passengers originating at Lebanon Regional Airport in 1967 was 21,113 an increase of 16.5% over the 18,114 in 1966. The amount of mail shipped by air from this facility was some 94,593 pounds. This represents an 18.5% increase over 1966. To translate these figures into number of pieces of mail, it represents 4,067,499 pieces shipped by air carriers operating from Lebanon Regional Airport. Significantly the magnitude of these figures indicate also the size of the region we are serving.
